CYRUS MWENDWA
SOFTWARE DEVELOPER

✉ cyrusmwendwa370@gmail.com   ☎ 254115645217   cyrus-48   📍 Nairobi , Kenya

SUMMARY

Motivated and self-driven aspiring software developer with a solid foundation in Python, PHP, and web development technologies. Proficient in frameworks such as Django and FastAPI, with hands-on experience in building dynamic and responsive web applications. Skilled in working with both relational databases like MySQL and PostgreSQL, alongside front-end technologies including HTML, CSS, and JavaScript. Eager to contribute to innovative projects and grow in a professional development environment. Passionate about learning new tools and staying current with industry trends to enhance problem-solving and coding efficiency.
